Central Virginia Community College is located in Lynchburg and serves the residents of the cities of Lynchburg and Bedford, and the counties of Amherst, Appomattox, Bedford, and Campbell.

**Fulltime Annual FTES Enrollment:** 2,738 (2010-2011)

**Fall Headcount:** 5,366 (2010-2011)

**Tuition** as of fall 2010 (additional fees apply):

In-State: \$103/ credit hour

Out-of-State: \$279.60/ credit hour

**Superlatives / Recent Accolades:** Since 2001, the college has added four off-campus learning centers to better serve the region

**Locations:** Main Campus: Lynchburg; Centers in Altavista, Amherst, Appomattox, and Bedford

**Current industry training programs:** CVCC's Center for Workforce Development and Continuing Education (<http://www.cvcc.vccs.edu/Workforce/default.asp>) offers a wide variety of programs that support the local business environment. Professional and affordable workforce training can be customized and provided on-site. The Center offers a wide range of courses and programs in such areas as:

- Customized Training for the Nuclear Power Industry
- CVCC/U.Va. Engineering Curriculum, leading to a bachelor's degree
- Career Pathways, Tech Prep, and Summer Academies
- Business and Industry Training from Human Resource courses to Industrial Safety classes
- Apprenticeship Programs that combine classes with on-the-job training
- Dual Enrollment for High School Students
- Pre-Employment Screening

AREVA NP, Inc/Warren Wright

**Resources for training purposes:** The AREVA Technology Center is a state-of-the-art technical training center with classrooms and laboratories, including the B&W Machine Tool Laboratory, the NB Handy HVAC Laboratory, the Southern Air Classroom, the Tyco Electronics Laboratories, and the Greif Welding Laboratories.

**Selected Associate's Degrees, Certificates and Career Study Certificates:**

- Business Administration/Management, Accounting, Administrative Support Technology, Marketing, E-Commerce, Business Supervision, Customer Service, General Clerical, Project Management, Purchasing, Quality Control
- Information Systems Technology, Computer Aided Drafting, Microcomputer Office Automation
- Medical Laboratory Technology, Pharmacy Technology, Science
- Engineering, Electronics / Electrical & Control Technology, Computer Numeric Control Engineering Technology, Electronics Manufacturing, Heating/Ventilation & Air Conditioning, Industrial Maintenance, Industrial Electricity, Nuclear Support Technologies, Machine Technology/Operations, Precision Instrument Technology, Welding

**Degrees conferred 2009-2010:**

**Associate's:** 383

**Certificates:** 141

**Other Degrees and Programs offered:** Machine Tool Diplomas

In March 2007, CVCC entered into an agreement with the University of Virginia, which will allow students enrolled in CVCC's engineering program to earn a Bachelors degree in Engineering from UVA without leaving Lynchburg.
